To Whom It May Concern:

For the last three years, the Pittsburgh Central Keystone Innovation Zone has had The Gourmet Dessert Apple Company provide catering for all of its events. We have had the Gourmet Dessert Apple Company cater everything from small, medium and large events. The Gourmet Dessert Apple Company has always done an excellent job and my staff and I have always been extremely happy. Patrick Polk, the owner of the company is always a pleasure to deal with. He and his staff have always been punctual, professional and a pleasure to deal with. Moreover, the food prepared by the Gourmet Dessert Apple Company is excellent and always presented in a very nice manner. I highly recommend the Gourmet Dessert Apple Company for any and all catering events. If you have any questions please do not hesitate to contact me.
