To Whom It May Concern,

It is my pleasure to write a letter of recommendation for the Gourmet Dessert Apple Company. The GDAC has catered several events for the Urban League of Greater Pittsburgh over the past several years. I have been very pleased with the menu selections and recommendations, preparations and presentations. The food is good!

I have always found Mr. Polk and his staff to be professional, resourceful and accommodating. As stated, GDAC has catered a number of events for the Urban League ranging from smaller, more private gatherings in my home to those attended by upward of 400 individuals in various locations. Mr. Polk's creativity and originality have enabled him to design and implement very successful, satisfying and beautifully presented menus. In addition, the staff of GDAC is polite and punctual.

I certainly recommend Mr. Polk and the Gourmet Dessert Apple Company for your next catered event. I believe you will be very pleased!

Sincerely,

Esther L. Bush
